REASONS FOR ALLOWANCE

1. The following is an examiner's statement of reasons for allowance:

The prior art does not disclose or suggest a means for correcting aberration in the light in combination with all the other elements recited in independent claim 6.

The prior art does not disclose or suggest a focusing optical element that focuses the beam from the directing device onto the spatial light modulator, wherein a radius of the focusing element is substantially smaller than a radius of the spatial light modulator in combination with all the other elements in independent claim 13.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

Any inquiry concerning this communication or earlier communications from the examiner should be directed to Alan A. Mathews whose telephone number is (571) 272-2123.

The examiner can normally be reached on Monday through Friday from 8:00 AM to 4:30 PM.
